Rising Rooks Chess Academy

Why chess?
Why now?

Parents want cognitive growth beyond marks. Schools need NEP 2020 skill programs. Chess is the fastest growing sport in India — but Tier 2/3 cities have no structured academy.

80%

PARENTS SEEK COGNITIVE SKILLS

Beyond academics — focus, memory, decision making top wishlist

+30%

IQ, FOCUS, MEMORY LIFT

Research-backed improvement in 6 months of structured play

250M+

SCHOOL STUDENTS MARKET

Pan-India potential; chess among top 3 emerging skills

0

STRUCTURED ACADEMIES IN TIER 2/3

Opportunity: school-first model, zero existing player in Ranchi belt

- **NEP 2020 encourages skill-based learning • The gap is our playground**

School-first curriculum
FOCUS • STRATEGY • CALM

LIVE CLASS

Introducing Rising Rooks

School-first chess academy making champions on and off the board.

- **Structured curriculum for Classes 1–12**
  Age-wise progression, not one-size-fits-all
- **FIDE-rated coaches, not hobby players**
  Certified, child-friendly trainers
- **Learning through play, puzzles, tournaments**
  Every class ends with a real game
- **Hybrid: In-school + Center + Online**
  Same method across touchpoints

Programs designed for schools

6–9	**Starter Rooks** • Fun fundamentals Piece stories, checkmate magic, board love — play first, theory later	45M • 2×/WK
10–13	**Middlegame Masters** • Tactics + prep Openings, tactics, tournament prep — think deeper, calculate faster	60M • 2×/WK
13–16	**Elite Rooks** • Rating chase Advanced strategy, FIDE rating chase, clock mastery — rise to champion	90M • 3×/WK

PLUS — BEYOND REGULAR BATCHES

- Summer Camps
- Weekend Bootcamps
- Inter-School Leagues
- Parent Workshops

Learn - Play - Analyze - Rise

Our 4-part lesson loop makes every minute count. No lecture-only classes.

Zero-cost chess revolution for schools

You give a classroom and a time slot. We build your chess legacy — no budget, no hiring, no hassle.

We provide everything

- Certified FIDE coach + substitute backup
- Full age-wise curriculum & worksheets
- Tournaments, Lichess tracking, demo boards
- Certificates, medals, parent booklet

100% compliance & safety vetted

School provides

- Classroom with board space
- One time slot: 1 hr / week

That's it. Literally two things.

Revenue model: Student fee sharing — school collects ₹999 / student. **20% stays with school.** Reputation grows.

SUCCESS STORY **Target Year 1: 10 schools in Ranchi = 500+ students • First Rooks League in 9 months**

Ranchi | Year 1

Led by players, not just teachers

Every coach competes, every lesson is classroom-tested. Warm, pedagogical, focused on kids growing.

FOUNDER & HEAD COACH

FIDE / AICF Rated Player & Coach

Rated competitor with child-first coaching. Leads curriculum, tournament prep & rating chase.

Active player • Ranchi

ASSISTANT COACHES

Certified, Child-Friendly Trainers

Small batches, puzzle tracking, Lichess homework review — friendly, firm.

1:12 coach ratio

ACADEMIC ADVISOR

Education Specialist

Designs age-wise progression, aligns with NEP 2020 skill metrics & parent reporting.

Classes 1–12 pedagogy

ADVISORS

Jharkhand Chess Association

Tournament calendar, AICF registration guidance, state-level exposure pathway.

Official rated events

We hire players who love teaching — not teachers who play occasionally. That's the Rising Rooks difference.

Growth roadmap Year 1 to Year 3

From Ranchi center to pan-India app — disciplined, school-first expansion with trophies along the way.

PHASE 1

0–6 months • Foundation

Launch Ranchi center

- Open flagship center + demo week
- 5 school tie-ups signed

150 students target

PHASE 2

6–12 months • League

Build the Rooks League

- 10 schools onboard
- Online batch pan-India launch
- Host first Inter-School Rooks League

500+ students & first trophy haul

PHASE 3

Year 2 • Franchise

Jamshedpur & Dhanbad

- Franchise model to 2 nearby cities
- Host state-level AICF event

1,000 students across belt

PHASE 4

Rising Rooks App + National

- App with puzzles, game analysis
- Pan-India online presence
- National partnership pipeline

∞ learning infinite
